Duel Between French Deputies.
(By Telegraph to Virginian-Pilot.)
Paris, June 28.—A duel was fought this morning with swords between M. Berteaux, Socialist, and M. Millevoye, Republican Nationalist, as a result of the altercation which took place between them in the Chamber of Deputies yesterday. After M. Millevoye had wounded M. Berteaux in the left cheek the two deputies shook hands.

ROOSEVELT SPEAKS.

SOME CHARACTERISTIC UTTERANCES—PLEA FOR EXPANSION.

(By Telegraph to Virginian-Pilot.)
Milwaukee, June 28.—Governor Roosevelt was escorted to the Milwaukee Chamber of Commerce to-day just before the hour of closing and given a most enthusiastic reception. In addressing the bulls and bears, the Governor said:

"At the end of the nineteenth century, as this country moves along/over the road to greatness, she has many serious problems to face and when she needs men to carry out her purposes she can call upon men of the best thought and wisdom, just such men as I am now addressing. You of the great West hold in your hands the future of this nation. It rests with you and you will, I know, show yourselves equal to the task. We always have with us our home problems, and we should always get into public life men of courage, of common sense and of honesty. No amount of genius or brilliancy can atone for a lack of the element of fearlessness, of decency and of honesty, and no one or two of these will avail unless the man has all three. The ablest man alive, if corrupt, is a danger to the country or community, to just the extent of his brilliancy and ability, and you, gentlemen, are in honor bound to allow him to feel the weight of your disapproval."

"I don't care how brave a man is, if he is a natural born fool he isn't worth knocking in the head."

"If a man is lacking in common honesty he is not fit for public life, no matter how brilliant he may be."

THE FOREIGN PROBLEM.

"We have certain important foreign problems which confront us. The United States has evidently as great a destiny on the Pacific as on the Atlantic ocean, and whether we live on the former or the latter, we must be equally interested in the welfare of the nation upon every foreign question; we should all see that the nation rises on the Pacific as on the Atlantic, and we have a right to demand of all good citizens to stand by the President as he upholds the honor and the glory and the greatness of the flag, no matter what the individual ideas may be regarding the Philippine question. We cannot fool with anyone who bears arms against our rights and our destiny; the people of the world must be made to realize that we fear none, and that we must be obeyed whenever we are contending for our rights. We must treat those who are against us as they deserve, and when we have proven to them the right and the justice of our cause, then we must treat them with humanity and liberality, and because of their weakness we should be more than ordinarily generous and just with them. And we want to make it understood that while we fear no nation and shrink no duty, we desire above all things peace, and we feel that there are three great nations which have interests together. These are America, England and Germany. These should work hand in hand for the solution of the questions that now confront us in the Pacific. Gentlemen, I thank you."

ITALIAN PARLIAMENT.

ROYAL DECREE MAY LEAD TO MINISTERIAL CRISIS.

(By Telegraph to Virginian-Pilot.)
Rome, June 28.—Great interest was taken in to-day's session of the Chamber of Deputies. There are apprehensions that it may lead to a ministerial crisis over the royal decree empowering the government to prohibit public meetings, etc., and to punish strikers and those who infringe the press laws. The extreme Leftists are resolved to resist to the last, and to postpone a vote approving the measure so that they may subsequently be able to contest its legality in the courts on the ground of its being unconstitutional as well as not sanctioned by parliament. The debate on the navy estimates ought to have been resumed to-day, but immediately after the sitting was opened, Signor Bonacci, Minister of Justice, moved his suspension on the ground that the Chamber should first pronounce an opinion on the royal decree. The House eventually decided to adjourn until the afternoon.

At the conclusion of the long debate the motion of the Premier, General Pelloux, to refer the decree to the committee on Political Bills, such reference to have the force of an act of indemnity, was adopted by a vote of 203 to 138.

COLUMBIA BEATS DEFENDER.

THE NEW YACHT OUTSAILS THE CHAMPION.

(By Telegraph to Virginian-Pilot.)
New London, June 28.—In a thirty-eight mile heat to windward to-day the new yacht Columbia beat the old cup champion Defender eight minutes, besides giving the old champion a two-minute handicap. Yachtsmen from New York and hereabouts are jubilant for the yacht's sterling qualities must come out in a race to windward. The race was from Brenton's Reef Lightship, off Newport, to New London, a good 23 miles. The Defender was given a two minute start. Thirty-two miles of the long stretch of water was a beat to windward with such a stiff breeze blowing that neither yacht cared to carry a working topsail, and it was in this kind of work that Columbia gained such a lead, averaging more than a quarter of a minute to the mile faster than the Defender. The water was very rough, but the boat rode easily and did not buff on the waves as much as the Defender.

After the race the managing owner of the Defender, W. Butler Duncan, rowed over to the Columbia and congratulated Mr. Iselin on the splendid showing the new boat had made in to-day's racing.

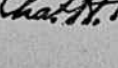

Mr. Iselin and everybody aboard the Columbia were delighted at the racer's great speed. To an Associated Press representative Mr. Iselin said he had nothing to say other than that he was more than ever satisfied with his boat.

A RICHMOND MARRIAGE.

MISS RAAB WEDS MR. ULMAN, OF CHICAGO.

(Special to Virginian-Pilot.)

Richmond, Va., June 28.—The marriage of Mr. Gustavus S. Ulman, of Chicago, and Miss Genevieve Raab, the beautiful daughter of Mr. and Mrs. Emanuel Raab, at Beth Ababa Synagogue to-night was one of the most brilliant ever seen in this city. The altar and aisles were decorated with palms and pink roses. The bride entered the temple with her father through arches of pink and white roses. She was met at the altar by the groom. During the ceremony the bride and groom stood on a floral mat of pink and white roses on which the initials of both, "R." "U." were entwined, under a canopy of roses surmounted by doves. As the cup used in the beautiful Jewish ceremony touched the lips of the couple and the benediction was pronounced by Rev. E. N. Callach, D. D., the floral sphere overhead, operated by an ingenious electrical device, opened and a shower of roses descended on the bridal party.

The bride's costume was a white duchess satin elaborately trimmed with point lace and seed pearls. She wore also a silk tulle veil and diamond necklace, the latter a present from the groom, and carried a bouquet of natural orange blossoms.

Miss Emily Raab, sister of the bride, was maid of honor and wore a white liberty satin, trimmed with chintilly lace with a touch of pink and pearl ornaments. Four bridesmaids, Misses Hattie V. Syckle, Nettie L. Tickle, Florence Myers and Maria L. Tickle, wore pink liberty silk over pink taffeta with pink roses. The two little pages, Masters Merrill E. Raab and Gordon E. Straus, brother and nephew respectively of the bride, wore white taffeta suits with pink ties and pink avettes. The best man was Mr. William S. Manheimer, of Chicago, and the ushers, Messrs. Joe Mayer, Sidney Long, Augustus Liebenstein, of Chicago; Augustus Syckle, Moses Rose, Jacob Liechtenstein and Milton Straus, of Richmond. Mr. Henry Sigismund Hutzler was master of ceremonies.

A reception at the Jefferson Hotel took place after the ceremony, and covers were laid for 250 persons. After dinner followed dancing.

Mr. and Mrs. Ulman left for Old Point and Hudson river points, the Great Lakes and Thousand Islands.

CONFEDERATE GRAVES.

THOSE IN ARLINGTON CEMETERY ARE NOT NEGLECTED.

(By Telegraph to Virginian-Pilot.)
Washington, June 28.—At the instance of Adjutant General Corbin, Quartermaster General Ludington recently instituted an investigation of the published report that the government was neglecting the graves of the Confederate dead in the National Cemetery at Arlington. The report of Major T. E. True, the depot quartermaster who has charge of the Arlington cemetery has just been filed at the War Department. "There are," says Major True, "136 Confederate soldiers and civilians, State prisoners, now interred at Arlington National Cemetery. Of the number 126 are known and 10 are unknown. These dead are buried with other honorable dead in the cemetery, their graves are known and recorded, and are marked with headstones very similar to those marking the graves of Union soldiers, bearing the name, but not the regiment, company or State, as in the case of Union soldiers, are well sodded and cared for, according to regulation, precisely as the graves of all the other dead in that cemetery are cared for. In short, the Confederate dead are honorably interred and honorably cared for. It is hardly probable that they would be so well cared for in any other than a national cemetery."

LEAVING MANILA.

SPANISH MERCHANTS SELLING OUT—A TOWN FALLS.

(By Telegraph to Virginian-Pilot.)
Manila, June 28.—4:55 p. m.—General Jaramillo, who is settling Spain's military affairs here, has received a cable message from the Minister of War at Madrid, General Polavieja, announcing that the pay of all soldiers who are in the hands of the insurgents will be continued during their captivity. The families of many of these soldiers and soldiers are in Manila without means of support here or on their return to Spain.

SPANIARDS LEAVING MANILA.

The new Spanish consul here, Senor Luis Marinas, says his foremost business is to secure the release of the prisoners.

The Spaniards are fast leaving Manila. The steamer Isle de Luzon sails for Spain soon, taking several hundred persons, civil and military officials and families. The Spanish commercial men are selling out and some of the largest interests here will soon pass into the hands of English capitalists.

A TOWN CAPTURED.

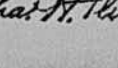

Captain Gale's squadron of the Fourth Cavalry embarked for Morong Monday. The gunboat Nipadun, which accompanied the troops, visited the town of Muntlulo, on the west shore of the lake, and found a small body of rebels entrenched there. The entrenchments were shelled by the Nipadun, and when the rebels began to retreat the cavalry was landed. The Filipinos in firing a final volley killed a cavalry private.

(By Telegraph to Virginian-Pilot.)

The price paid was \$1,100,000 and the securities were deposited in New York several days ago. J. C. Moore, of Blocton, was elected president and J. C. THE TICKET COMPLETED

KENTUCKY DEMOCRATIC CONVENTION FINALLY ADJOURNS.
(By Telegraph to Virginian-Pilot.)

Louisville, Ky., June 28.—The Democratic State Convention adjourned to-night after nominating the following ticket:

Governor—William Goebel, of Kenton county.
Lieutenant-Governor—J. C. W. Beckham, of Nelson county.
Secretary of State—Breck Hill, of Clay county.

Attorney-General—Judge R. G. Breckinridge, of Boyle county.
Auditor—Gus Coulter, of Graves county.

Treasurer—Judge S. W. Haeger, of Boyd county.
Commissioner of Agriculture, I. B. Nall, of Louisville.

Commissioner of Public Instruction—H. V. McChesney, of Livingston county.

William Goebel dominated to-day's proceedings as he had those of every day since the convention began. Coming with less than one-fourth of the delegates instructed for him and with the smallest number of state delegates accredited to any of the three candidates for Governor, he left the convention, holding the nomination for head of the ticket with the party organization under his control and a ticket made up of his partisans. But this has been accomplished only after a severe ordeal and strife that several times threatened to rend the party to such an extent that these prizes, even after he had secured them, would have been valueless.

The spectators have witnessed melodrama, farce and a near approach to tragedy since the convention began its work a week ago, but it all ended up in a love feast that might have seemed out of the question to one unacquainted with the Kentuckian character.

The little fellows had an inning to-day, and the five or six hundred delegates who remained to complete the work of the convention were harangued from 9 o'clock in the morning until well into the night, without intermission except for an occasional ballot. But it all came to an end. The Goebel slate went through. Some times there was a strong fight, in some cases more than one ballot was necessary, but the required votes were always in readiness when the time came to swing them. After completing the ticket the convention adjourned sine die.

BELGIUM DEPUTIES.

PATTERN AFTER FRANCE AND CREATE UPROAR.

(By Telegraph to Virginian-Pilot.)
Brussels, June 28.—A disturbance occurred in the Chamber of Deputies to-day when the order of the day of the Right was adopted, expressing confidence in the President of the House against the vote of the Socialists. The announcement of the vote was the signal for a general uproar, all the deputies rushing to the center of the floor, where a fierce fight took place.

M. Guchenaere, Catholic labor member from Ghent, was badly beaten by Socialists. A guard of soldiers on duty finally cleared the galleries, and the session later was suspended. The Minister of War, M. J. H. P. Van Den Peereboom, was the object of great abuse by the Socialists, who blamed him for originating the uproar.

FIGHT IN THE STREETS.

Brussels, June 28.—1 a. m.—At a late hour the demonstrators assembled in the neighborhood of Parliament house, the government offices and the palace, all of which were protected by the police. The efforts of the latter and of the civic guard to disperse the people were fruitless. Two gendarmes and several rioters were wounded. Many arrests were made.

At the hour of filing this dispatch the streets are still held by the police and civil guards, and detachments of the gendarmes are arriving from the provinces.

A CHARTER REFUSED.

THE AMERICAN ISTHUS SHIP CANAL COMPANY.

(By Telegraph to Virginian-Pilot.)
Trenton, N. J., June 28.—Attorney General Gray to-day filed an opinion with the Secretary of State advising the refusal of the articles of incorporation of the American Isthmus Ship Canal Company.

The articles provided for an authorized capital of \$30,000 with the proviso that the capital stock might be increased to \$250,000,000 by a vote of the holders of not less than three-fourths of the capital stock. This proviso is in conflict with the New Jersey statute, which gives to the holders of two-thirds of capital stock the power to increase the authorized capital.

The company was intended to be incorporated here to build a ship canal across the Isthmus of Panama.

ADMIRAL DEWEY.

THE OLYMPIA LEAVES CEYLON FOR PORT SAID.

(By Telegraph to Virginian-Pilot.)

Previous to his departure, Admiral Dewey visited the auxiliary cruiser Yosemite, now at this port, having on board Captain Richard P. Leary, U. S. N., the Governor of the island of Guam, who is on his way to his post.

Three Strikers Killed.

(By Telegraph to Virginian-Pilot.)
Berlin, June 28.—Three strikers were killed yesterday during the rioting at the Bochum coal mines.

The number of men wounded is not known, as many of them were spirited away to private houses.

Thirty-six arrests were made yesterday and troops to protect the non-union strikers will arrive at the scene of the disturbance to-day.

BERKLEY.

The Berkley and Atlantic City baseball teams played another match game of ball yesterday afternoon on Hardy's field. The game was begun about 4:30 o'clock, both teams apparently in fine condition for playing. An interesting game was the result, the home team closing out the visitors in the first inning and making two runs. The visiting team could not get a run in the first, and the two teams stood about equal on the next three or four innings. In the sixth the Atlantic City team claimed a balk. The umpire decided otherwise, and the Atlantic City called off their team, the game standing 5 to 4 in favor of Berkley. The game was then called off—9 to 0 in favor of the home team.

Batteries: For Berkley—Putnam and Millrick; Atlantic City—Montague and Wilkins. The features of the game were the double play by Day and Putnam's pitching.

ANOTHER GAME.
The North Streets and Up-towns played a game of ball yesterday morning on Hardy's field, which resulted in a score of 23 to 8 in favor of the North Streets. The features of the game were the fielding of Willie Jones and the batting of Crawford Rogers. Batteries: North Streets—Herbert and Jones; Up-towns—Jones, Owen and McKinnle. The North Streets are open to challenges from teams whose ages range from 8 to 15.

A quiet, but pretty, wedding was celebrated at the residence of Mr. and Mrs. N. B. Langley, corner of Lee and Ivey streets, Montant, at 9 o'clock yesterday evening. The parties to the contract were Mr. John William Perkins, of Port Norfolk, and Miss Esther Josie, the beautiful daughter of Mr. and Mrs. Langley. The parlor was handsomely decorated with potted plants and cut flowers in honor of the event. The nuptial knot was impressively tied by Rev. R. M. Chandler, pastor of the Chestnut Street Methodist Church, the wedding party standing under a handsomely arranged arch. The bride was handsomely attired in white, decorated with pearl trimmings, and carried bride's roses. After the ceremony refreshments were served. The gifts to the bride were handsome and useful. Mr. and Mrs. Perkins will be at home to their friends after Saturday.

MR. TILLEY'S GIFT.
At a called meeting of the official board of the Chestnut Street M. E. Church last night the offer of Mr. E. M. Tilley, of South Norfolk, of a donation of \$20,000 to go toward the erection of a new church, was accepted and a vote of thanks extended the gentleman for his generous act.
